Say, George, Hiustrious shade,
Of better dust than modern made,
What do you think?
Are we gezink?
Have the special interests got us
Where the hair is short.
And on the necks of the People,
Proudly now cavort?
Has the rank microbe of Mammoa
Affected conscience till
The Nation, as a booy,
Will He and steal and kill?
In your days, George, you had
A coplous wad
And miles of sod,
And still were not so had;
And still were not so had;
And is the curse
Any worse
This very minute
Than when you were in it?
Perhaps if you came back—but, nay,
You stay
Right where you are,
Thou undimmed star.
Fo gosh,
You're the clean Wash,
Nou're the clean Wash,
Nou're the clean Wash,
Nou're the clean gezink
To-day?

war?
Thek it out! Tick it out!
Il the world is waiting for
The cable's distant shout,
usely France and Germany
The polsed above the throbbing key,
Tick it out from far away.
The world's at war today!

dash of mad battalions.

Of mad battalions.

Owaft to us the rhythmic beat

M many million marchine feet,

Great cubles, fell us from afar

The mighty tale of war!
